### **Board of Education Meeting Procedure**

#### Agenda

The Board President is responsible for focusing the Board meetings' agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President.

Items submitted by Board of Education members to the Superintendent or the President shall be placed on the agenda. District residents may suggest inclusions for the agenda. Items may be added to the agenda at the beginning of a regular meeting; no action will be taken on such items.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board of Education member at least 48 hours before each meeting, except a meeting held in the event of an emergency.

The Board President shall determine the order of business at regular Board of Education meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

#### Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board of Education, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes will be in order of seating around the table.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes.

Any Board of Education member may request that his/her vote be recorded and, with the approval of the other Board members, may append a statement indicating the reason of the vote.

Any Board of Education member may request that his or her vote be changed before the President announces the result of the vote.

#### Minutes

The Board Secretary shall keep written minutes of all Board of Education meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board of Education members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted "yea" and "nay";
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting;
7. A record of all motions, the members making the motion and the second; and
8. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board of Education for approval or modification at its next regularly scheduled open meeting.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board of Education may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board of Education's meeting minutes must be submitted to the Board's Treasurer on the first Monday of April and October, and at other times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meetings minutes are available for inspection during regular office hours within 7 days after the Board's approval, in the office of the Superintendent or designee, in the presence of the Secretary, the Superintendent or designee, or any Board of Education member. Minutes from closed meetings are likewise available, but only if the Board of Education has released them for public inspection. The minutes shall not be removed from the Superintendent's office except by vote of the Board of Education or by court order.

#### Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the central administrative office.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may listen to verbatim recordings when that action is germane to their responsibilities, e.g., in order to check the accuracy of minutes. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

#### Quorum

A majority of the full membership of the Board of Education shall constitute a quorum whether individuals are present physically or via a speaker telephone.

#### Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, may use Robert's Rules of Order, Newly Revised, as a guide when a question arises concerning procedure.

#### Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board of Education meeting. Requests for special needs, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.
