It is important at this time of the year to remain focused and make good choices. We fully anticipate enjoying the final week of the 2007-2008 school year. In order to do this, we need your assistance in the following areas.

- Behavior – Good behavior is a must. Any students acting inappropriately, or violating school policy may lose the privilege of attending or participating in the above activities. Please reinforce this expectation with your child.
- Returning School Materials – Students must return all school materials such as textbooks, library books, or other borrowed materials. If these materials are lost or destroyed, they must be paid for in full.

Please do not hesitate to contact the school if you have any questions regarding the end of year activities.

Sincerely,

Dr. Douglas A. Wood
